

The Norwegian Society for Immunology (NSI)
welcomes you to the
Day of Immunology conference 2016

Immunterapi mot kreft / Immunotherapy for Cancer

Time: Friday, April 29th, 2016, at 10:00-15:45.

Place: Store Auditorium, Rikshospitalet, Sognsvannsveien 20, Oslo.

Morning session (populærvitenskapelig foredrag på norsk)

10.00: Velkommen

Alexandre Corthay, PhD, forsker, avdeling for patologi, OUS, president i NSI.

10.05: Immun mot kreft? Introduksjon til kroppens overvåkningstjenester

Anne Spurkland, Professor, avdeling for molekylærmedisin, Universitet i Oslo.

10.40: Immunterapi: en revolusjon for kreftbehandling

Else Marit Inderberg, PhD, avdeling for celleterapi, OUS Radiumhospitalet.

11.15: Kaffepause

11.35: Behandling av norske lungekreftpasienter med checkpoint-inhibitorer

Åslaug Helland, overlege og forsker, avdeling for onkologi, OUS Radiumhospitalet.

12.00: Immunterapi virker – rapport fra en erfaren pasient

Kjell Stenstadvold

12:15: Lunch break with wraps

Afternoon session (scientific presentations made accessible for a broad public in English)

13.00: Opening

Ole Alexander Opdalshei, Assistant Secretary-General, The Norwegian Cancer Society

13.10: The long road to cancer vaccines

Gustav Gaudernack, Professor emeritus, OUS Radiumhospitalet, CSO, Ultimovacs AS.

13.35: Targeting cancer stem cells in glioblastoma brain tumors by immunotherapy

Einar Vik-Mo, MD, PhD, Inst. for Surgical Research, Dept. of Neurosurgery, Rikshospitalet.

14.00: Bringing innovative targeted DNA cancer vaccines to the clinic

Agnete Brunsvik Fredriksen, PhD, CSO, Vaccibody AS.

14.15: Coffee break

14.40: Sequential Intranodal ImmunoTherapy (SIIT) in malignant lymphoma

Arne Kolstad, MD, PhD, Department of Oncology, OUS Radiumhospitalet.

15.05: Clinical cellular immunotherapy at Radiumhospitalet

Gunnar Kvalheim, MD, PhD, Head of Section of Cellular Therapy, OUS Radiumhospitalet.

15.30: From Bench to bedside with a first in class oncolytic peptide

Øystein Rekdal, PhD, Professor, The Arctic University of Norway, CSO, Lytix Biopharma AS.

Meeting's organizers: The Norwegian Society for Immunology (NSI)

Chairperson: Alexandre Corthay, PhD, Department of Pathology, OUS, NSI president.

Free entrance. Everybody is welcome!
