NSI Immunology Journal Club

Time and place: Every Friday from 9:00 to 10:00 AM at Rikshospitalet, in auditorium A3.3067, and accessible via Zoom in a hybrid format.
Content: Each week, two articles published within the past 12 months in high-impact, broadly focused journals (such as *Nature*, *Science*, *Cell*, *Immunity*, *Nature Immunology*, or *Science Immunology*) are presented by two speakers. Alternatively, a Principal Investigator (PI) may present a curated selection of recent papers.
Organizers: Marit Inngjerdingen and Alexandre Corthay.
